POEM RECITATION COMPETITION

NEWSLETTER - AUGUST
2025

On August 1st, poetry enthusiasts gathered for a recitation competition, showcasing their skills and passion for verse.

Through their beautiful voice.

The competition fostered a love for poetry, encouraged creative expression, and celebrated the art of recitation.

Congratulations to all participants and winners!

BEST OUT OF WASTE COMPETITION

NEWSLETTER - AUGUST
2025

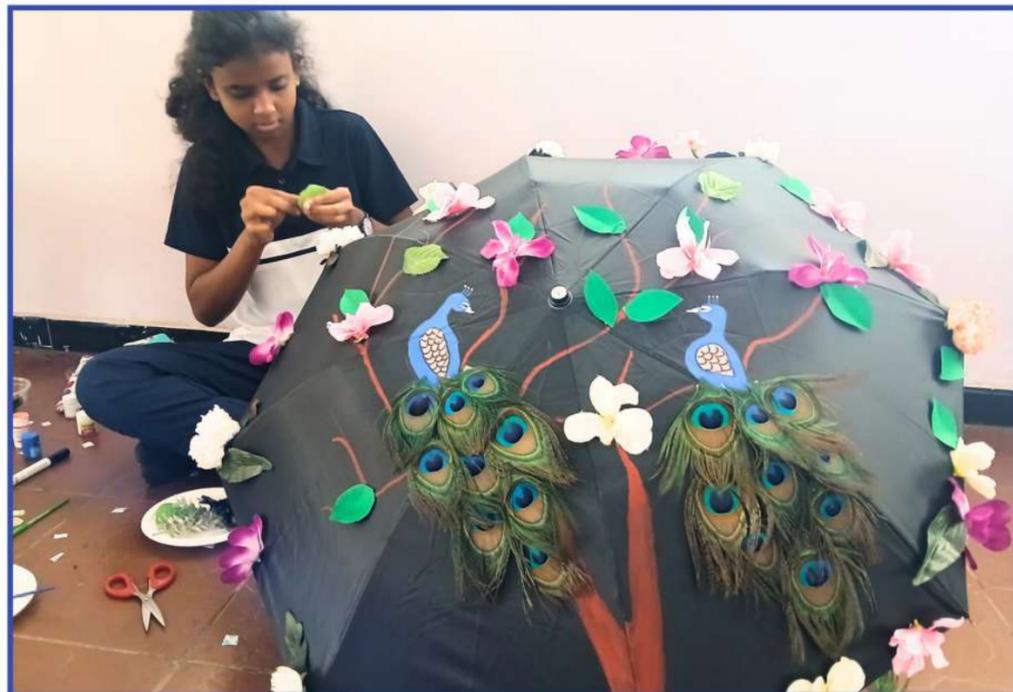

An exciting Best Out of Waste competition was held on 02.08.2025 at our school for students of Grades 6 to 8. The event aimed to encourage students to repurpose and upcycle waste materials creatively.

Students participated with great enthusiasm, creating impressive and eco-friendly models that reflected their imagination and innovative thinking. It was a wonderful platform for them to showcase their talent while promoting environmental awareness. Kudos to all the young creators!

UMBRELLA DECORATION COMPETITION

**NEWSLETTER - AUGUST
2025**

The Umbrella Decoration competition was conducted on 02.08.2025 at our school for Grades 9 and 11.

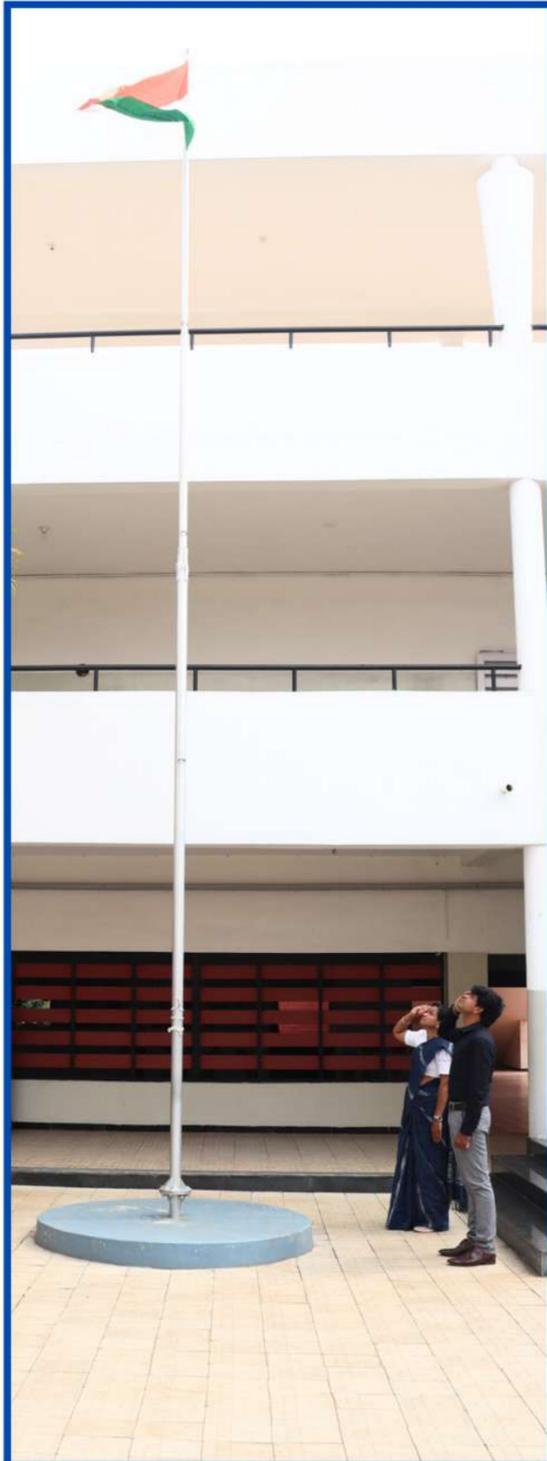

This colourful event gave students an opportunity to showcase their artistic skills and creative imagination.

Each umbrella was transformed into a vibrant piece of art, filled with unique designs and lively colours. The competition brought out the students' creativity and added a splash of joy to the celebration.

Hearty congratulations to all the participants and organizers!

SALUTE THE NATION

**NEWSLETTER - AUGUST
2025**

We with the patriotic fervour celebrated the Independence Day in our school premises. Vibrant cultural program showcased the immense talents of our students through patriotic songs, graceful classical dances and insightful speeches. It brought the nation's struggle for freedom to life. The presentation embodied courage and sacrifice of our freedom fighters.

The Chief Guest Ms. Mridula Natarajan, Social Activist, Founder of Sakthi Trust, in her inspiring address reminded us of the significance of this day and urged every one to embrace their role in shaping a strong, progressive and harmonious nation.

PARENTS, TEACHERS, CHAMPIONS!

NEWSLETTER - AUGUST
2025

Teachers and parents came together for a thrilling day of Cricket and Throwball on the day of Independence!

With cheers, laughter and lively spirit all around, the friendly matches celebrated teamwork, bonding and joy — making it a memorable day of fun and togetherness!

The celebration concluded with smiling faces, loud applause and a renewed sense of unity, proving that sports is not just about winning but about togetherness, participation and joy.

KRISHNA JANMASH'TAMI CELEBRATION

NEWSLETTER - AUGUST
2025

The festive spirit is alive! 🌟 We celebrated the birth of Lord Krishna on 16th August with devotion and joy. Let the divine love and wisdom of Lord Krishna inspire and guide us! 🙏 Children cherished Krishna's birthday by dressing themselves as Little Krishna and Radha and performed various activities.

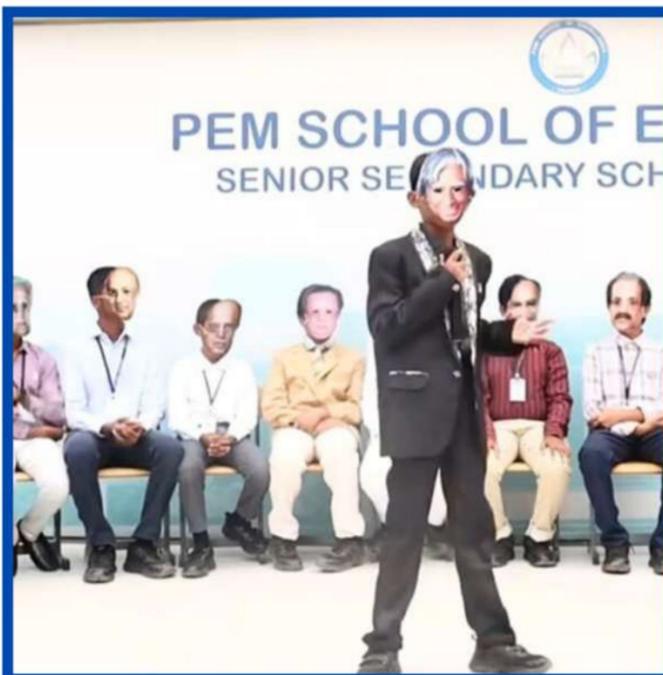

DREAM BIG, AIM SPACE

**NEWSLETTER - AUGUST
2025**

On August 23, 2025, PEM School of Excellence celebrated National Space Day with great enthusiasm. The event was graced by the Chief Guest Mr. S.A. Elangovan, former Deputy Director and Outstanding Scientist from ISRO, Thiruvananthapuram. Students presented a skit on ISRO, showcasing the achievements of famous chairmen and directors. The Chief Guest was highly impressed by the students' presentation and in-depth knowledge about ISRO.

Mr. Elangovan delivered an inspiring speech about ISRO's accomplishments, shared his experiences and clarified the doubts of the students.

VIRTUAL MEETING: CAREER GUIDANCE

NEWSLETTER - AUGUST
2025

The Career Guidance Session was conducted with the aim of helping students explore various career options available after their schooling and to gain awareness about emerging fields and higher education pathways. The session began with a warm welcome and a brief introduction of the resource persons. The Principal and Co-ordinators highlighted the significance of early career planning and self-awareness. The following key points were covered:

- **Career Awareness:** Introduction to conventional and non-conventional career options in Medicine, IITs, Agriculture, etc.,
- **Higher Education Pathways:** Information about undergraduate courses, entrance exams and eligibility.
- **Emerging Career Trends:** Insight into new-age careers like Artificial Intelligence, Data Science, Environmental Sciences, Entrepreneurship, etc.
- **Skill Development:** Importance of soft skills, communication, and extracurriculars in shaping a successful career.
- **Q&A Session:** The session was concluded with a question answer session.

ARTIFICIAL INTELLIGENCE – FRIEND OR FOE FOR STUDENTS?

Artificial Intelligence (AI) is everywhere in our lives today.

It powers voice assistants like Siri and Alexa and even self-driving cars.

For students, AI can be a friend

It explains lessons clearly, gives practice questions and makes learning fun.

It helps teachers check work and plan lessons easily.

But AI can also be a foe

Too much use can stop students from thinking on their own.

It may reduce creativity, patience and problem-solving skills.

AI is not good or bad

It depends on how we use it.

Let us use AI as a guide to improve our minds, not replace them.

The future belongs to those who can balance human intelligence with artificial intelligence. Let's use AI to sharpen our minds, not replace them.

FABRICS FOR HEALTH AND WELL-BEING

Fabrics are a part of our everyday lives – from the clothes we wear to the furniture we use. Some special fabrics can also support our health and well-being.

Antimicrobial Fabrics

- **Copper fabrics:** Help stop bacteria from growing.
- **Silver fabrics:** Kill bacteria and viruses.

Healing Fabrics

- **Aloe vera fabrics:** Soothe the skin and help it heal.
- **Herbal fabrics:** Contain herbs like chamomile, lavender and tea tree to calm and protect skin.

Therapeutic Fabrics

- **Far-infrared fabrics:** Improve blood flow, reduce swelling and relax the body.
- **Magnetic fabrics:** May reduce pain and improve circulation.

Moisture-Wicking Fabrics

- **Keep the body dry, reduce sweat and prevent skin problems.**
